WHERE DESIGN MEETS TECHNOLOGY

Industry leading 15  
year, 24/7 warranty

## Humanscale

Designed to fit 95% of the population with 300 lb weight capacities  
and an industry leading 15 year, 24/7 warranty.

### FREEDOM HEADREST

The Freedom Headrest chair offers a unique weight-sensitive, self-locking recline mechanism with 20 degrees of movement, an automatically pivoting backrest with seven-degree back tilt, synchronous arms attached to the back frame with 150mm (6") vertical adjustment, and a dynamic headrest with 125mm (5") vertical adjustment. Offered in Fabric or Leather. Backed by a 15-year 24/7 use warranty.

Chair Width: 27.25"      Seat Height Range: 16.125" - 20.25"  
Recline Range: 20° recline + 7° backrest tilt      Weight Capacity: 300 lbs

### LIBERTY

The Liberty mesh back chair has an intelligent self-adjusting recline with no tension springs to adjust or recline locks to set/release. The pivoting backrest provides extra motion of the backrest during recline and offers additional lumbar support as needed through a form-sensing mesh back made from non-stretch mesh construction. The seat cushion is modular for easy replacement and the armrests connect to the backrest so they stay with the body during recline. The seat cushion is offered in Fabric or Leather. Backed by a 15-year 24/7 use warranty.

Chair Width: 26.5"      Seat Height Range: 17.7" - 22.5"  
Recline Range: 18° recline + 8° backrest tilt      Weight Capacity: 300 lbs
