WHERE DESIGN MEETS TECHNOLOGY

Efficient• Productive • Comfortable
24/7 Emergency Operation Centers

Adaptaspace designs & manufactures a full range of technical furniture for Emergency Operations Centers with the functionality needed for crisis management situations and proven durability for 24/7 “Mission Critical” applications.

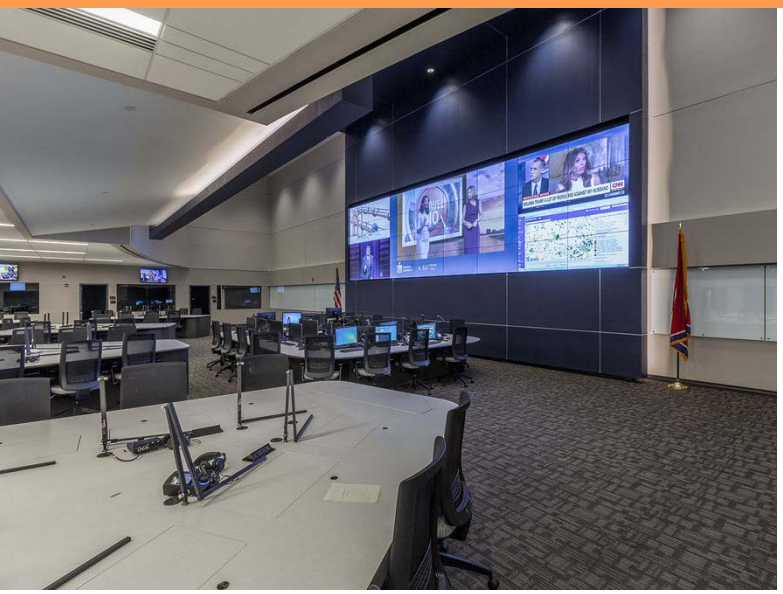

Our **Human-Centered** design approach applies best practises and knowledge of Ergonomics and Human Factors to ensure our workstation solutions contribute toward the creation of an optimized work environment, maximizing operational efficiency, communication and performance.

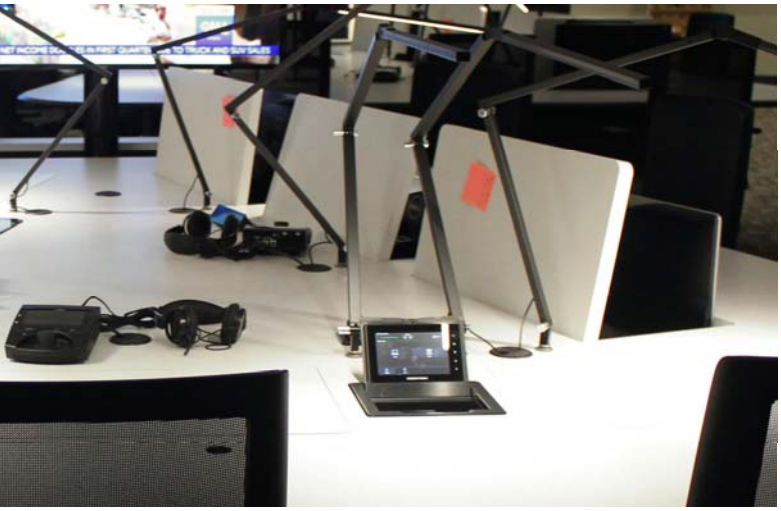

Our Product Offerings:

- EOC Console Workstations
- EOC Technology Tables
- Podiums
- Integrated Equipment
- Meeting & Training Rooms
- Personal Storage
- Reference Material Storage

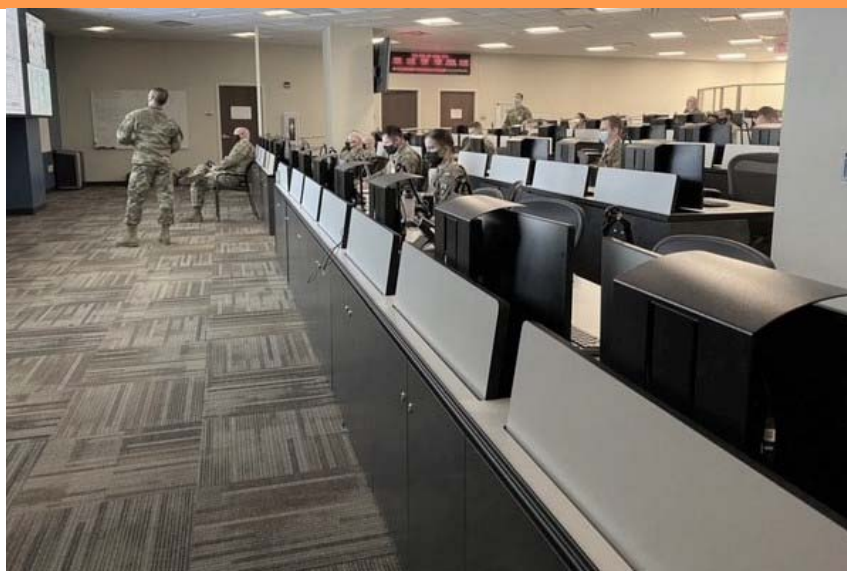

Adaptaspace EOC Console Workstations and Technology Tables are uniquely configured and designed for each client based on specific functional needs, equipment requirements and facility layout constraints. All feature the following common elements:

- human factors requirements, for increased comfort and reduced physical stress
- equipment and accessory mounting flexibility, to satisfy the needs of each user
- extensive cable management, for easy installation and access
- power and data connections to satisfy the needs of each user
- product durability, for 24 hour/7 day operation
- modularity, to allow future equipment and room layout re-configurations
- attractive aesthetics, to reflect corporate identity and image

adaptaspace [ ]
